

SIDE-YARD PICKUP IN BELLEAIR

Belleair offers an optional side-yard pickup service for household trash collection. With this service, Belleair's solid waste team retrieves trash cans from residents' side-yards, dumps them in a garbage truck, and returns them back to the side-yards.

Side-yard pickups are completed the same days as regular trash collection. Side-yard pickup is for household cans only and is not available for recycling or yard waste collection.

Cost: \$15/month added to your utility bill

(If you have limited ability to bring your cans to the curb, speak with us to discuss a fee waiver)
