# Building Leaders Thru Athletics

Join Stacey Simmons and his staff for a fun week of athletics with the goal of creating Leaders for Life. This multi-sport camp will teach athletic skills applicable to all sports, as well as the skills needed to succeed in life. Get one-on-one attention and mentorship from current and former high school and college athletes and learn from the nightly speeches by area coaches and former professional athletes. Our goal is to build leaders with strong character, discipline, and integrity. We believe that there is no greater tool than thru athletics.
