

Red Hot Robots

Join us for a week of fun with amazing robots! In this week of camp, learn about the uses of robots in our world and spend time experimenting with super cool red-hot robots. Experiment with sound sensing robots, line-tracking robots, amphibious robots and robots that can even play soccer! Discover the science of circuits and how robots use sensors to explore things around them. Use your skills to build your very own working robot to take home with you!
