

GULF COAST UNITED

Soccer Camp

GCU soccer camps focuses on teaching the fundamental techniques of the game and showing players how to master these skills. Tailor-made for junior players with a fun and friendly atmosphere that will help your young soccer star strive to reach their peak performance. Campers will begin each day with a fun warm up game to loosen up and start off on the right foot. This will be followed by the technical portion of the session, focusing on ball control, passing and shooting. The day will conclude with small-sided games where campers will have the opportunity to utilize skills learned earlier in the day.
