Article II - Zoning Districts - Division 1, Section 74-32 Temporary Use Structures.

- A permit is required for any and all temporary use structures/containers. The permit is free of any fee for the first three (3) days of use.
- For showing good cause, applicant can apply for a four (4) day extension with permission of Town Manager through email, building@townofbellair.net and is still free of charge.
- The container may be on property a maximum of seven (7) days in any thirty (30) day period with this one time permit.
- Permits may be renewed by demonstrating good cause and only by approval of the Town Commission after submitting request in writing, and at an escalating fee scale of \$40/for first week; \$20/each additional week. A new renewal request may be made at the end of thirty (30) days, again only with new request made in writing and new approval of Town Commission.
